It’s is so sad to hear of the passing of Karl. I worked with Karl for many years as my teacher and colleague’s . He was a great man. We had many conversations about his struggles as a young man. He often spoke of his family with love a care. He had a great sense of humour. I will never forget him. My thoughts go to his family during this difficult time. May he rest in peace.

My deepest condolences to Karl's family. I and many other of his former Norwegian work colleagues are in shock and grievance over his passing. We will never forget this great man.

It is difficult to see past the sorrow, but Karl will live on in our memories.

Sincerely,
Olav Einervoll
